3. Nationality:

4. Field of specialization:

5. Designation:

6. Address

(a) Official:

(b) Residential:

(c) Corresponding address:

Official

Residential

Email:

Tel:

Mobile:

7. Category in which nominee belongs to (please tick only one):

(I) Scientists Working in Technology Missions of National Importance

(II) Scholars in the History and Philosophy of Science

8. Academic career and professional attainments:

(a)

Degree	Institution	Year	Remarks

(b)

Positions held	Institution	From (year)	To (year)	Remarks

(c) Awards and recognitions

(d) Intellectual property, technological innovations and new products

(e) Other relevant information

9. Contributions of the nominee

10. Summary of the most innovative contribution of the nominee (200 words)

11. Citation (50 words)

12. List of experts

13. Publications, patents and copyrighted material of the nominee

Explanatory notes for filling the nomination form:

Additional information for filling some of the items in the form are given below:

3. Please give details of OCI/PIO status and a statement that the nominee has been working in India for at least for 10 years, in case the nominee is not an Indian national.
7. The nominators must ensure that the nominee really belongs to these two new categories and the contributions are not covered by any other regular category. The Search Committee reserves the rights to transfer the nomination to a regular category, if deemed appropriate.
8. (a) The proposer is requested to furnish, under this head, all information regarding the nominee's degree and post graduate academic qualifications and distinctions. (b) Details of the positions held starting from post doctoral appointments until the present should be given. (c) Details of major awards and recognitions, including fellowships of academies should be listed, giving the name of the award, the awarding body and the year of the award. (d) Intellectual property, technological innovations, new products including new varieties of plants and crops, copyrighted design and software, may be listed. Licensed technologies, products, designs, software may also be mentioned.
9. A critical analysis highlighting the most significant contributions of the nominee with respect to current knowledge in the field should be given. The impact of the contributions at the national/international level in respect of Scientists working in Technology Missions of National Importance should be highlighted. The level of scholarship for Scholars in History and Philosophy of Science should be highlighted. Important publications and policy papers or books may be specifically listed.
10. A brief statement, not exceeding 200 words, regarding the most significant contribution of the nominee which, in the opinion of the Proposer, should be circulated to the Fellows. The impact of the contribution should be highlighted. Information beyond 200 words is liable to be deleted in the Book of Nominations, which is circulated to the Fellows.
11. A 50-word citation highlighting the work of the scientist which justifies the claim to the Fellowship. This is in addition to 200 word write-up required for Book of Nomination.
12. Provide a list of 6 experts along with contact information who are leaders in the Nominee's Field. There is no geographical restriction in selecting the names of experts.
13. Please attach up-to-date list of publications/patents/copyrighted material. List separately (a) research papers published, (b) scientific reviews, (c) articles (not abstracts) published in seminars, symposia, conference volumes, (d) chapters contributed to books, (e) books-authored or edited, (f) other publications/reports and (g) patents and copyrighted material. Mark the significant publications and licensed patents and copyrighted material with an asterisk. Scholars working in History of Science may also provide a list of reviews/critiques/ ripostes done on the nominee's publications.

IMPORTANT INSTRUCTIONS

- The Nomination is to be signed by **two Fellows**. Of these, at least one should certify from **personal knowledge** the scientific attainments of the nominee. The Vice-President (Fellowship Affairs) shall have power to sign a certificate on behalf of a Fellow on receiving a written request from him/her.
- **Form of Undertaking by Nominee** must be submitted in the given format after being duly filled and signed by the nominee.
- The completed nomination form and all attachments should be combined into a single pdf file named "LN-FN-yyyy.pdf", where LN is the last name and FN the first name of the nominee and yyyy is the year. The "Explanatory notes" and "Important Instructions" should not be included in the file.
- Proposers may please ensure that the nomination form is duly completed and information, as required by the Academy, is included.
- The nomination is to be returned duly completed in all respects by the Proposer or the Seconder to the Executive Director, Indian National Science Academy, Bahadur Shah Zafar Marg, New Delhi 110 002, email: fellowship@insa.nic.in, so as to reach not later than **15th July**.
- The primary criterion for election to the Fellowship will be contribution to the special field which could not be recognized in the regular Sectional Committee. e.g. contributions to new knowledge, new discoveries, development of new technologies of strategic importance, substantial improvement in existing technologies in defence, atomic energy or space programmes, etc.) which could not be published due to their proprietary or classified nature, and the economic impact of his/ her work. The work done in India should be given primary importance for nomination for Fellowship.
