### Letter of Intent

The Indian National Science Academy and Académie des Sciences signed a Memorandum of Understanding (MOU)/ Agreement of bilateral cooperation between the two Academies on 27 November 2007 in France. The existing MoU/Agreement will remain valid until either party notifies the other of its wish to terminate at least six months ahead.

For smooth functioning of the bilateral cooperation, following modifications can be made in the existing MoU/Agreement.

#### **Article I:**

The Academies shall, within their spheres of competence, promote and support cooperation between scientists in the emerging fields of science represented at the Academies.

#### **Article II:**

**Short term visits:** Both the Academies shall host typically two visitors per year for a maximum duration of 14 weekdays each.

**Joint Conference/ Workshop/ Seminar:** Joint conferences/ Workshops Seminars will be organized by both the Academies on mutually agreed topics once in two years alternately in India and France.

This Letter of Intent signed by both the Academies as part of modifications made in existing MoU/Agreement shall continue to be effective for a further period of five (5) years from the date of signature by both the Academies. Other terms and conditions will remain the same.
