

## INSTRUCTIONS TO THE CONTRIBUTORS

The Indian Journal of Pure and Applied Mathematics (IJPAM) is devoted to original research in all fields of Pure and Applied Mathematics, Statistics and other related areas. It is published quarterly by the Indian National Science Academy (INSA) and is also available on its website. Starting 2010, the Journal is being co-published with Springer, and is also available on Springerlink.com.

The authors are encouraged to submit their manuscripts online through <http://www.editorialmanager.com/ijpa/>.

Manuscripts (in full or, any substantial part thereof) submitted to IJPAM should not have been submitted for publication elsewhere.

The author must choose either a member of the editorial board or a Fellow of INSA specialising in an area close to the topic of the paper.

Instructions for preparation of manuscripts is available at [www.springer.com/authors](http://www.springer.com/authors).

The initial page should contain the title followed by the name(s) of the author(s), full mailing address(es) and email address(es).

The author should provide a short abstract, not exceeding 250 words, summarizing the highlights of the principal findings covered in the paper and the scope of the research. Five or six keywords and phrases should be provided along with the latest American Mathematical Society subject classification available at <http://www.ams.org/mathscinet/msc2010.html>.

References should be cited in the text by the Arabic numerals in square brackets. List of references should be arranged in the alphabetical order of the author's last name. Each reference should include the author's name, title, the abbreviated name of the journal, volume number, (year), page numbers, as in the sample citation given below:

*For Periodicals:*

T. L. Gomez, Algebraic Stacks, *Proc. Indian Acad. Sci. Math. Sci.*, **111** (2001), 1-31

*For Books:*

B. L. S. Prakasa Rao, *Statistical Inference for Diffusion Type Processes*, Arnold, London and Oxford University Press, New York (1999).

*Conference Proceedings:*

M. S. Raghunathan, *The congruence subgroup problem*, Proceedings of the Hyderabad Conference on Algebraic Groups, Hyderabad, Dec. 1989, Manoj Prakashan, India.

Abbreviations for the titles of the periodicals should, in general, conform to the *World List of Scientific Periodicals*.
