

There have been various reports on Empowerment of Women over the last two decades. Some of these are as follows:

Science Career for Indian Women: An examination of Indian women's access to and retention in scientific careers. INSA Report (2004).

Evaluating and enhancing women's participation in scientific and technological research. The Indian initiatives. -- A report of National Task Force for Women in Science, DST (2005).

Trained scientific women power: How much are we losing and why? IAS-NIAS report 2010.

Role of women scientists as teachers in promotion and application of science and technology. A report from NASI (2012-2013).

Women Scientists in India. AASAA report (2013).

Women in science and technology: A vision document. A report from Inter-Academy Panel on Women in Science (2016).

Ethics in Science Education, Research and Governance. INSA Publication (2019).
